EMPOWER

BUSINESS ORIENTED YOUNG WOMEN

The newsletter of the KA2 European funded project "EMPOWER: How to support and empower women's entrepreneurial competences"

ABOUT THE PROJECT

This European Erasmus+ project aims to promote and reboot young women entrepreneurship against unemployment and entry barriers to the sector. It aims to do so through the exchange of good practices and digital training in entrepreneurial skills adapted to the needs of the target group. This training will advance and promote competitiveness, economic diversification, sustainable development and job creation for young women.
